Iaido-Batto-Kendo Seminar

May 17, 2025

Headmaster Crandall taught our school's first annual sword seminar on Saturday, May 17. Assisted by his top Iaido and Kendo students, Kyoshi Nathan Morris and Kyoshi Nicholas Chuff, Headmaster Crandall led the participants through lessons in philosophy and proper execution of techniques. The seminar was held for students in our traditional sword styles, Takenouchi-Hangan-Ryu-Matsuno-Crandall Iaido/Batto-do, and Americanized Eagle Kendo. Proper sword etiquette, cleaning and maintenance, Bushido philosophy, kamae (stances), katas, Kumi Tachi, and batto cutting are only some of the topics covered. The fifteen participants enjoyed this amazing learning opportunity and the camaraderie they all shared during the day's seminar. The event took place at the gym and facilities of the Jewish Community Center.

Teen Seminar Day

November 19, 2024

Saturday, November 16th was our school's annual Teenage Seminar Day. Grandmaster Crandall personally taught the seminar, and the participants learned the fine points and proper execution of certain kicks, basic forms, and katas. Grandmaster Crandall also taught the students new advanced techniques, SD-4, and the four combination drills. The last 45 minutes included a scavenger hunt team building exercise, and the winners received gift cards to Dunkin' Donuts. All students performed exceptionally well, and a white belt participant, Luke Weber, was presented with a new rank of yellow belt due to his improved proficiency over the last few months and his impressive performance at the seminar.

Adult Seminar Day

October 21, 2024

On Saturday, October 19th, Grandmaster Crandall taught our school's annual Adult Seminar to 12 participants. The students received instruction from Grandmaster Crandall on basic forms, SD-3, SD-4, Combination Drills C and D, and philosophy. The event wrapped up with a fun karate aerobics workout.

ABOUT OUR ARCHIVES

The American Martial Arts Institute maintains a library at its main office with records of rank promotions, events, publications, media coverage, photographs, and videos. These are in the form of photo albums, copies of our publications, preserved news articles, and digital files such as videos and photographs from events in our history. In 1998, the American Martial Arts Institute launched its first website. Since then, the website has undergone many updates to keep up with changing technology. Many of our school's events and history are recorded on this website; however, not all testing results are maintained online (although testing records are maintained at our school). Events prior to 1998, are kept at our school library. This webpage documents some of our school's history.
