### FATHER'S DAY CLASS

**A Special Father's Day Class!** On June 22, 33 students shared their martial arts training with their fathers and grandfathers in an exciting one-hour class. Everyone earned their "Father's Day Belt," a

white belt with a red stripe. This special belt is only worn at our Mother's Day or Father's Day classes with the red representing love and family bonding. The purpose of the class was to have fun and build memories through martial arts training. Everyone received pictures with their family members.

The class included punches, kicks, basic forms, kata, and self-defense. The students taught their fathers some of their highest kata, and they got to use padded "whackers" for blocks and shields for punches and kicks together. After the everyone was warmed up with punches, Headmaster Stalloch brought out the pushup bars! The event was organized and run by Headmaster Eric Stalloch with assistance in teaching by several of our school's adult, black belt instructors.

## ABOUT OUR ARCHIVES

The American Martial Arts Institute maintains a library at its main office with records of rank promotions, events, publications, media coverage, photographs, and videos. These are in the form of photo albums, copies of our publications, preserved news articles, and digital files such as videos and photographs from events in our history. In 1998, the American Martial Arts Institute launched its first website. Since then, the website has undergone many updates to keep up with changing technology. Many of our school's events and history are recorded on this website; however, not all testing results are maintained online (although testing records are maintained at our school). Events prior to 1998, are kept at our school library. This webpage documents some of our school's history.
