

## OUR NEWS

### ANNUAL CLEANING DAY - 2026

Our school is very fortunate. Our staff of adult, black belt instructors give freely of their time, skill, and energy so that our students and future students can receive the same benefits, challenges, and growth experiences that they received. This is sometimes referred to as “completing the circle.” What many students do not realize is that our staff are not paid. They serve as mentors in teaching, but they also care for the school. Throughout the year they volunteer to clean, repair, and take care of our training hall for the benefit of all. The clean the bathrooms, vacuum the floors, shovel the parking lots, and more. Once per year, we invite some of our students to assist in a one-day event to help take care of our school. This is called the “Cleaning Day.”

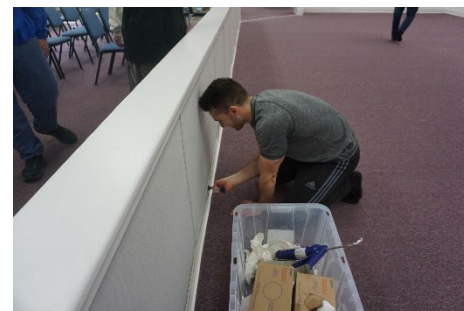

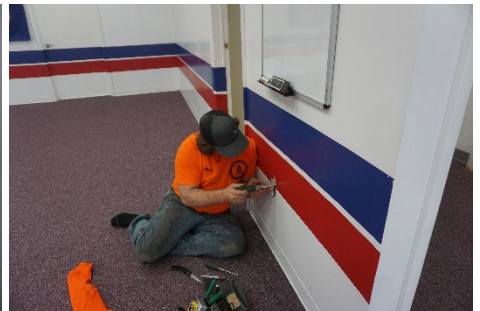

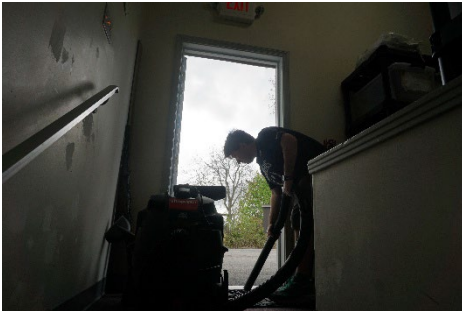

**On Saturday, May 2, 2026**, dozens of brown and black belt students (all ages) and purple belts aged 18 and older joined our instructors for a very productive day of cleaning, repairing, and painting. Some of the improvements this year included: carpeting cleaning the main training floors, washing all walls, baseboards, and doors, repainting walls, trim, and stripes, replacing ceiling tiles, sweeping and shoveling the parking lot, dusting, washing windows, and more.

Some instructors and adult black belts could not make the May 2<sup>nd</sup> cleaning due to personal obligations. These individuals have already offered to come in on their own time to complete additional cleaning, painting, and repair projects over the next 6-weeks.

Above our main counter is a sign that reads: **Home** of American Martial Arts Institute Students. For many our school is a second home. Keeping our home clean and professional helps our students to enjoy training year-round.

Thank you to everyone who was able to assist at this year's Cleaning Day. It is clear that our school has a strong foundation and bright future.

## ABOUT OUR ARCHIVES

The American Martial Arts Institute maintains a library at its main office with records of rank promotions, events, publications, media coverage, photographs, and videos. These are in the form of photo albums, copies of our publications, preserved news articles, and digital files such as videos and photographs from events in our history. In 1998, the American Martial Arts Institute launched its first website. Since then, the website has undergone many updates to keep up with changing technology. Many of our school's events and history are recorded on this website; however, not all testing results

are maintained online (although testing records are maintained at our school). Events prior to 1998, are kept at our school library. This webpage documents some of our school's history.
